

Kabinart™

BEACON HILL • MANOR HOUSE

Q U A L I T Y F E A T U R E S . . .

Beautiful cherry hardwood and quality American craftsmanship combine to add distinction and elegance to your kitchen and bath.

Beacon Hill base and wall cabinets are constructed of 3/4" select cherry frames with traditional square recessed panels of cherry veneer. Manor House wall cabinets feature doors with solid cherry frames with traditional square raised panels.

Solid cherry drawer fronts are attached with screws to the 1/2" thick, five-piece plywood drawer. Self-closing, epoxy-coated, undermount drawer glides, rated at 100 lbs., provide smooth, silent operation and have a lifetime replacement warranty.

End panels are plywood and can be finished with select cherry veneers. Tops, bottoms and backs are plywood finished natural in color.

Kabinart's multistep finish process uses penetrating stains, hand sanded sealer, and protective catalyzed top coat to produce a premium finished surface, hard and long lasting.

Beacon Hill and Manor House from Kabinart's Classic Series - an unparalleled combination of features and quality providing years of dependable use and beauty for your home.

All wood box construction gives added strength to Kabinart's wood cabinets.

Shelves are 3/4" plywood for improved strength and are adjustable in both base and wall cabinets.

Concealed hinges with 6-way adjustability on traditional overlay doors carry a life-time warranty - extra value at no extra cost.

Our premium drawer boxes are assembled with solid wood sides using quality dovetailed joints at each corner, a mark of fine crafted furniture for hundreds of years. Available as an option on the Classic Series.
